

LTF

LTF "ACTIVE" SERIES WEIGHING KIT FOR LIFT TRUCK FORKS

Pair of forks with an integrated weighing system, for lift trucks, easy to use, sturdy, and reliable. Simple and easy to install, these replace the original forks and allow a clear visualisation of the loaded weight. Compatible with any lift truck having a DIN 15173 - FEM fork holder plate, of the IIA (IIB optional) or IIIA class. Available in CE-M approved version.

The best solution
for advanced industrial
applications

MAIN FEATURES
